

Tuolumne Joint Powers Authority

Pesticide Products Prohibited from Use on JPA District Sites

In addition to the California Department of Pesticide Regulation's Pesticide Products Prohibited from use in California Schools and Childcare Facilities, the Tuolumne JPA prohibits the use of pesticide products with glyphosate.

The district shall adopt a Resolution PROHIBITING ANY DISTRICT PURCHASE OR USE OF HERBICIDE PRODUCTS CONTAINING THE CHEMICAL GLYPHOSATE and update their board policy.

AR 3514.2

Integrated Pest Management Plan

Effective as of the 2024-2025 District school year, IPM Coordinator shall ensure the District ceases all purchase and use of any herbicide product that contains glyphosate as one of its ingredients, in any amount or level.

The IPM Coordinator shall inform all outside contractors and their employees to abide by the same restriction on district sites.

Adopted May 9, 2024
